ASAA & Copper River School District Code of Conduct

Student participants are ambassadors of their school and community. As such, the CRSD expects students to portray good citizenship, practice fair and ethical behavior, and to be good role models during any and all activities sponsored by the district. To ensure health, safety, and rights of all participants in district-endorsed events, students are required to abide by the following code of conduct.

District-endorsed events strive to offer a safe environment for our students to learn, grow, and have fun. Although event organizers have assumed responsibility for planning a safe and wholesome program, it is the responsibility of each student to behave in an appropriate manner.

All students participating in district-endorsed events are expected to:

1. Be under the direct supervision of a school official or his/her designee at all times.
2. Attend all event sessions that are required by the school and/or the advisor.
3. Respect the rights, diversity, and safety of others.
4. Treat event personnel, including host school staff and students, with dignity and respect.
5. Respect the property of other individuals and facilities. Vandalism, theft, and possession of stolen property will not be tolerated.

All CRSD-supported events will be conducted in drug-free environments. Use, possession, and/or distribution of alcohol, tobacco, or illegal drugs are strictly prohibited.

Violation of this code will result in the withdrawal of the student's right to participate in the event, as well as to attend the event. The student's adviser, administrator, director, host school's administrator, and the host school's advisor, jointly retain the right to send the student home **at the parent/guardian's expense.**

Your signatures on the front side of this permission form indicate that you have read and discussed the above guidelines and expectations with the student and are in agreement with this code of conduct.
